Mount Forward

In the name of the far future They paid him homage. In what nation, and in which city, the revolution first began, is not easy to determine; but in the course of the third century of the Roman era, one people following the example of another, this by means of one, and that of another opportunity, either expelled by violence their present kings, or desisted from electing new ones; and all Italy, hoisting as it were a common signal, changed at once its whole form of government.

Tackling Summer (Season of Love Book 1)

The dog is tan, not red, so not Clifford. I love the art.
