Well Val, We all know The Bible is not politically correct in this day and age, but who cares. We envision a world made better by travel and travel made richer by connection. April25,LysaTerKeurst. The same may almost be said of the four elements:- 1 they are in close contact with the spheres, being encompassed by the sphere of the moon; earth occupies the centre, water surrounds earth, air The Apothecary (The Apothecary Series) its position between water and fire; 2 this order is not invariably maintained; the respective portions change and they become intermixed and combined with each other; 3 though they are only four elements they form an infinite number of things; 4 not being animated they do not move of their own accord; 5 they are set in motion by the action of the spheres; 6 when a portion is displaced it returns in a straight line to its original position. Two important points about dyslexia: Dyslexia is technically a disability as well as a 'gift', so employers quite rightly have to make appropriate allowances for sufferers or risk falling foul of disability and discrimination laws.
