The Dawning

In other words, insofar as the unfathomable principle drives the openness of the human in relation to the world and others, the human always entails a positing of the question of power as a form of a struggle in relation to what is foreign Plessner The friend-enemy relation accomplishes two functions simultaneously: it takes power seriously in light of the unfathomable principle, and it dispenses conflict without ever reaching a stage of total annihilation. This fine edited volume will be of great interest to scholars, students, and others who want to go beyond today's headlines to understand the sources of international and domestic violent conflicts.

Charles Dickens, A Tale of Two Cities and the French Revolution
