We love having you as a Wonder Friend. Having been in the business of writing as a hobby for over fifteen years, she's finally decided to look into this "being published" business. Michael was founded on the Heiligenberg inside the double rampart of the Celtic fortress. Whatever you might say about the technical correctness of his playing, it's hard to argue with success on that level. Another important objection offered by Immanuel Kant was that existence is not a real predicate.
