A TIME OF RAGE

From this conjecture it cannot be anything more at this point it in no way follows that there could not have been similar procedures, or even apparently identical items, in pre-Buddhist B o n : similar efforts yield independent inventions and parallel procedures in religious and mystical matters in areas that have had no mutual contact of any sort.

Human Paleoneurology

A young woman's Bible class was invaded one day, while on another occasion the door was tied up and the girls prevented

from leaving the building.
