Their anatomies reflect this behavioural difference; the American bison's head hangs lower than the European's. Finally, the hollow brittle shell collapses on itself and anything of value is recycled by the sociopaths according to meta-firm logic. Mateus, the ambassador, appears to have been of an irritable disposition, and this was perhaps the cause of the dislike shown to him by the Portuguese with whom he came into contact.

But if you can get on a dance floor with your friends with a big smile on your face
