Vampires: The Recent Undead (Otherworld Stories series)

A life of crime is usually lived in the shadows. As Alberti noted, architecture served as an example of the capacity to spiritualise nature through rules whose rationale hinged on time. That, together with space, was the primary challenge in the pursuit of eternity in pre-modern constructions, fortifications in particular. The angle square and the compass also embodied a view of Mensuration³⁵ reinforced by allegorical tradition that linked the philosophy of architecture to space in general. Mobility and stillness with their corollaries, expansion and defence thereby merged in an image of political perfection.
