A chronological history of the weather and seasons, and of the prevailing diseases in Dublin: with the various periods, successions, and revolutions, during ... diseases, and those of England and other...

These are arguments in our favour because nobody forgets the land where they were born.

Dragons (Behind the Legend)

Still, there are some beginners and students who, though persevering and conscientious, are uncertain whether they are really following the wisest course of study; to them much conflicting advice is usually given, until they scarcely know what they should do or leave undone, and to them, perhaps, a few words of explanation and encouragement from a fellow-worker may not come amiss. Integrity includes respect, ethics and intent.
